THE VIRGINIAN-PILOT | THURSDAY | 11.27.08

team of the week

Nearly 12,000 runners from all over the world competed in October in the Lifestyle Sports/Adidas Dublin Marathon, held throughout the streets of Dublin, Ireland.

Among them was Team A2A4A (America To Anywhere For Arthritis), comprised of seven women from the United States.

Two members of the team are Dorothy "Dody" Nolan of Virginia Beach and Caroline Schloss of Knotts Island. Nolan is the Fleet Lease Manager at Tidewater Auto Auction in

Chesapeake. Schloss works as a contracted Master Auto Mechanic for the company.

Noland and Schloss joined their team mates coming from Florida, Georgia and Texas. After crossing the finish line of the marathon together and raising \$62,478 to benefit The Arthritis Foundation, TeamA2A4A is stretching their legs and opening their eyes for next year's marathon and fundraiser.

This picture was taken in front of a waterfall at Glendalough Cathedral in Ireland.
